CIVIC AND RECREATION
CENTER, INC.**

Payment occurs on a month to month continuous basis or members may choose to pay for a full year, which includes a discount. Payment is accepted using the following methods:

Bank Draft (EFT): This is an automatic monthly payment from a checking or savings account. Dues are drafted within the first five working days of each month. If a new member enrolls the 1st thru 5th day of the month they will have to pay membership fees for the entire month. If a new member enrolls after the 5th day of the month, first month's dues will be pro-rated allowing the member to use the facilities immediately. After the initial dues, payment will be drafted from the members account. It is the member's responsibility to inform the Center if the monthly bank draft did not appear on your bank statement. Failure to report and make restitution on your monthly account may result in loss of active status.

Year In Advance: A member may choose to pay membership dues for a full year. Yearly membership pays for a full year upfront at a discounted rate. Discount is not available if receiving a discount under a corporate plan. Payment may be made by cash, check or credit card (VISA & M/C). **All payments made a year in advance are non - refundable and non - transferable.**
